2023 Pharmacy Directory

This pharmacy directory was updated on 8/1/2023. For more recent information or other questions, please contact Health Partners Medicare at 1-866-901-8000 or, for TTY users, 1-877-454-8477. From **October 1 to March 31**, we're available 8 a.m. to 8 p.m., 7 days a week. And from **April 1 to September 30**, we're available 8 a.m. to 8 p.m., Monday to Friday. Or visit www.HPPMedicare.com.

Changes to our pharmacy network may occur during the benefit year. An updated *Provider & Pharmacy Directory* is located on our website at www.HPPMedicare.com. You may also call Member Relations at 1-866-901-8000 (TTY users should call 1-877-454-8477) for updated provider information.

Introduction

This booklet provides a list of network pharmacies for Health Partners Medicare Prime, Complete, Platinum, Silver and Special. To get a complete description of your prescription coverage, including how to fill your prescriptions, please review your plan's *Evidence of Coverage* and formulary.

We call the pharmacies on this list our "network pharmacies" because we have made arrangements with them to provide prescription drugs to plan members. In most cases, your prescriptions are covered by Health Partners Medicare only if they are filled at a network pharmacy or through our mail order pharmacy service. Once you go to one pharmacy, you are not required to continue going to the same pharmacy to fill your prescription but can switch to any other of our network pharmacies. We will fill prescriptions at non-network pharmacies under certain circumstances as described in your *Evidence of Coverage*.

All network pharmacies may not be listed in this directory. Pharmacies may have been added or removed from the list after this directory was printed. This means the pharmacies listed here may no longer be in our network, or there may be newer pharmacies in our network that are not listed. This list is current as of 8/1/2023. For the most current list, please contact us. Our contact information appears on the front and back cover pages.

You can get prescription drugs shipped to your home through our network mail order delivery service. For more information, please contact us or see the mail order section of this pharmacy directory.

We also list pharmacies that are in our network but are outside of Berks, Bucks, Carbon, Chester, Cumberland, Dauphin, Delaware, Lancaster, Lebanon, Lehigh, Montgomery, Northampton, Perry, Philadelphia and Schuylkill counties in Pennsylvania, and Burlington, Camden and Gloucester counties in New Jersey, the area in which you live. You may also fill your prescriptions at these pharmacies. For more information, please call 1-866-901-8000 (TTY 1-877-454-8477) or visit www.HPPMedicare.com.

If you have questions about any of the above, please see the first and last cover pages of this directory for information on how to contact us.

In this directory, pharmacies are listed first by type, such as Retail or Mail Order. Listings within each pharmacy type are organized by county, then by city, then alphabetically by name. Listings in Philadelphia are organized by ZIP code and then by name.

Pharmacy types listed in this directory are:

- **Retail Pharmacies** – These include chains and local drugstores.
- **Mail Order Pharmacy** – Getting your prescriptions by mail may be convenient for you, especially for maintenance medications.
- **Home Infusion Pharmacies** – If you are taking home infusion drugs, these pharmacies can fill your prescriptions.
- **Long-Term Care Pharmacies** – Residents of a long-term care facility may access their prescription drugs covered under Health Partners Medicare through the facility's long-term care pharmacy or another network long-term care pharmacy.

TTY users, please call 711 to contact pharmacies listed in this directory.

Information about symbols shown in this directory is provided below and can also be found at the bottom of each page in the listings. These symbols can help you find pharmacies that will fill prescriptions for a 90-day extended supply and pharmacies that accept electronic prescribing (E-prescribing) by your doctor.

Symbols in the Pharmacy directory:

☐ – Means that this pharmacy accepts prescriptions from providers electronically

★ – Means that this pharmacy can provide 90-day drug supplies at the same cost-sharing that applies for mail order prescriptions
